NOTE: Pursuant to 35-A M.R.S. Sec. 6106, the Alfred Water District does not participate in the cost of main extensions or in the cost of new customers' service lines. Customers shall pay for all costs associated with the installation of new service lines and service lines generally, and shall directly contract only with a contractor on the list of District-approved contractors for the excavation and installation of service lines. Customers shall pay in advance for any materials provided by the District, and shall pay for the District's licensed operator to be present during installation and required testing of service lines and to inspect all materials installed.

TERMS & CONDITIONS: Customer has received, reviewed and agrees to all the Terms & Conditions of the AWD.

SERVICE REQUIREMENT: The owner must have installed a double check valve ahead of the water meter and shut off valve. This will be done before water service is turned on in new home construction only. Commercial and multi- family must have District Superintendent evaluate the risk and proper backflow preventer.

BILLING: Bills are produced quarterly. Bills are comprised of the minimum charge in advance for the coming quarter plus usage charged (above minimum allowed) for the previous quarter.

Signature: _____ Date: _____
